Muriel Martin Parent Council

110 Deer Ridge Drive, St. Albert, AB T8N 5Z3

The Muriel Martin "Keys to Coding" Family Night

This workshop will be set up like a passport type activity where students take their parents to different activities set up around the gym. Students will be given a key ring when they enter the gym and at each station they will complete a coding activity and collect a "Key to Coding". The Key will have one "coding" tip with ideas for activities students can complete at home. There will be beginner and advanced activities for students.

Place: Muriel Martin Gymnasium

Date: Thursday, November 23, 2017

Time: 6:30 - 7:30 p.m.

Sally Rudakoff, lead teacher for Numeracy and Educational Technology with St. Albert Public Schools, and the Muriel Martin Technology Team will guild you through the evening.

The Muriel Martin "Keys to Coding" Family Night
